

# The Standard Bank Africa Investors' Conference 2022

**28-30 June 2022**

20 Gresham Street, London, EC2V 7JE

Launched in 2010, the Africa Investors' Conference (AIC) is a world-class event, which aims to connect African policymakers and corporates to top fixed income and equity institutional investors, looking for growth potential in Africa.

**African corporates** – access European and US portfolio managers from world-renowned investment funds to promote your company internationally and take it to the next level.

**Portfolio managers** – meet with the leadership team from some of Africa's top corporates and engage with influential policymakers across sub-Saharan Africa to hear first-hand on political reforms and the economic outlook for their countries.

### AIC by numbers\*:

**40+**  
top-tier corporates

**120+**  
institutional investors

Up to  
**8**  
meetings per day

\* averaged over 11 years from 2010 to 2021

**1,300+**  
facilitated meetings

**10+**  
prominent policymakers

**400+**  
conference attendees

**"As usual, the investor interactions were of an extremely high quality, providing us with a great opportunity to present our investment case. If there is one conference that we would attend annually, it is the Standard Bank Africa Investors' Conference"**

*Corporate client, AIC 2020*

**"Great time management, fantastic host, wonderful and swift technology support! The meetings were well-attended, allowing enough time for questions and answers"**

*Institutional investor client, AIC 2021*

**Meet African corporates, policymakers and international investors under one roof, online or in-person.**

In partnership with **ICBC**
