- 3 **Your Account**
 - 3.1 The minimum deposit (also referred to as your **minimum balance**) required to open the Account is R250.
 - 3.2 No bank cards are issued for the Account. You cannot load debit orders against or stop orders from your Account.
 - 3.3 An income tax certificate in respect of your Account will be generated for each tax year and will be sent to you or will be available for download through Internet Banking or the Mobile App. You can also request this certificate through your relationship manager or our call centre or at one of our branches. The certificate indicates the amount of interest accrued and interest paid in a particular tax year, whether or not the interest is paid in the same tax year. We are also obliged to share this information with the South African Revenue Service in terms of applicable laws and regulations.
- 3.4 **As from 12 August 2022, Tax Free Call accounts are limited to one account per person.**
- 3.5 This product is covered by the Corporation for Deposit Insurance (CODI). If Standard Bank cannot repay its clients their deposits for any reason, you will have access to the funds deposited in your products that are covered by CODI, up to the limit set out in the Deposit Insurance Regulations made in terms of the Financial Sector Regulation Act. You can find out more about this on the CODI website.

- 4 **Making a contribution**
 - 4.1 You can make contributions into your Account by various means, including at your nearest branch or through an ATM or a transfer from any other Standard Bank account (inter account transfer).
 - 4.2 **A contribution is "cleared" (fully transferred to your Account) from the date reflected on your statement (value date). This may not always be the date on which you made the contribution. This is so even if the contribution shows immediately on your Account when you view it through Internet Banking or the Mobile App. You must ensure that your contributions are made on time to reflect in the correct tax year, especially if the last day of the tax year falls on a Saturday, a Sunday or a public holiday. We are not liable for any loss suffered if:**
 - 4.4.1 **the value date of a contribution you made falls in the next tax year;**
 - 4.4.2 **your contribution or instruction to pay or transfer money is late, incorrect or incomplete; or**
 - 4.4.3 **any third party (including another bank) delays the payment or transfer to the Account.**
 - 4.5 Cash deposits will attract fees (see fees clause below).

- 5 **Interest**
 - 5.1 When we refer to interest, we mean the interest that you earn in respect of the Account. **You will not earn interest if your Account falls below the minimum balance.**
 - 5.2 The interest rates that apply to your Account depend on how much money is in your Account at a given time and are set out on our website or in the statement we send you or can be requested through your relationship manager or banker, through our call centre or at any of our branches. The interest rates quoted will always reflect what you earn annually.
 - 5.3 Interest is calculated on your Account balance at a given time (including any cleared deposits but excluding any applicable fees) at the relevant rate and on a daily basis for a 365-day year, even in a leap year.

6.2	If you withdraw or transfer a portion of your money after you have deposited it, that contribution will still count towards the Limit. This means that if you deposit an amount afterwards to make up for the withdrawal or transfer, that amount will be regarded as another contribution that will count separately towards the Limit. You must be careful not to exceed your Limit in this manner.	11.1	We can change these Terms at any time and, subject to the Act and any changes to the Limits, we can also change the product rules and fees that apply to the Account. We will tell you about any changes through our Pricing Guide, our website, the Mobile Banking App, other social media or your Account statement, or by sending you an SMS, MMS or email. We may also send a push message (in other words, a message that you must respond to) to your phone. You must make sure that we always have complete, accurate and up-to-date contact details for you.
6.3	If the Account is in the name of a minor and you want to do a transfer into any non-Tax-free Investment account, it must be a transactional account in the name of the minor.	11.2	The latest version of these Terms applies to you each time you use the Account. 7.3	After we have done a Tax-free Transfer for you, we will send you a copy of the Transfer Certificate. If we have received all the relevant information, we will process the Tax-free Transfer from your Account within 10 business days.	12.1	It is important that you understand the features, benefits, Terms, fees and tax and legal implications of the Account before you apply for it.
